

THE TICKETING BUSINESS ASIA 2025

...fans & experiences: marketing/revenues/ticketing/engagement

TheTicketingBusiness returns to Hong Kong for its fourth Asia edition on 21-23 October 2025.

TheTicketingBusiness ASIA 2025 (#TAS25) is the essential entertainment eCommerce business meeting for the huge, fast-growing (but fragmented) APAC entertainment market.

Experiences. Entertainment. eCommerce!

For our fourth edition we're adding more speakers, more stages and more friends to explore what's happening across sales, marketing and engagement tech for arts, culture, sports, music, visitors attractions and immersive experiences.

Our HQ hotel is the new flagship hotel of the Dorsett group right in the heart of Kai Tak Sports Park. Dubbed *The Pearl of the Orient*, this landmark integrated development is the region's ultimate destination for sports, leisure and entertainment.

Conference sessions will be hosted at the hotel along with unique venue tours across the venues and spaces of Kai Tak Sports Park.

Once again #TAS25 is also co-hosted alongside *TheStadiumBusiness* ASIA 2025 – bringing in an audience of venue and destination leaders across entertainment, leisure, sports, arts and culture.

To maximise networking – and minimise travel times and expense – we recommend that delegates stay at the HQ hotel.
